Dear Parents/Guardians

The Middleton Grange Home and School Network Team invite you to become part of a support base for teachers and staff across the whole school.

The Home and School Network has been established to assist with connecting, supporting, helping and encouraging the MGS community. This can be done in the way of classroom help, assisting with functions, hospitality, staff events. It may involve as little time as once a year, or weekly/monthly, it's up to you.

If you are keen to be involved, please fill out this form and return to Student Services.

**Already on our database?** If your details or commitment have changed we would appreciate you completing the form again or email us with the information.

Regards

**Home and School Network Team**
