

WELCOME

CONGRATULATIONS! YOU HAVE TAKEN THE FIRST STEP!

Your child's education is one of the most important gifts you will give your child and at Middleton Grange School we would like to assist you in giving this gift.

Welcome to our school where our vision statement 'Middleton Grange School assists families in the education of their children by providing an environment in which the Biblical truths of Jesus Christ are taught and lived' means that we take the education of your child very seriously.

We will work in partnership with you to provide your child with the care and support for their education and their lives in Christchurch. We hope that this brochure will give you a glimpse of our special character and challenge you to want to find out more about our school.

“

“Middleton Grange and Christchurch is my home. I had such amazing 3 years in this school, and made lots of friends. I felt the real nature through an Adventure Race called Hillary Challenge, I learned that we can be friends without words by playing football, and I found myself in this multicultural society. Now I am trying to study Sport Management and Marketing in a University in Europe. Middleton Grange, Christchurch and Aotearoa is always in my heart and I really hope to see those whānau again.”
