## General Matters

1. At this stage, Blazers will still need to be purchased direct from the Uniform Shop. This is to ensure the correct sizing has been chosen for this tailored item.
2. Unfortunately, due to the complexity, we are unable to sell second hand uniform items through this Kindo internet platform facility. These will still need to be purchased direct by visiting the Uniform Shop during the Shop's opening hours.
3. Parents of Primary School students' [online Kindo](#) purchases are given the option when setting up their Kindo accounts to either have their child's uniform purchases delivered to their classrooms, once they are ready, **or** to be sent to Student Services for subsequent collection thereof. For the Primary School International College Students, there is an option for them to be delivered to the International College. Please allow approximately 7 business days from placing your order as we work to enhance the new Kindo system processes.
4. For Middle and Senior School students [online Kindo](#) purchases, you will receive an e-mail confirming your items are ready to be collected by either yourself or your son/daughter from our uniform shop (G103). Please allow approximately 7 business days from placing your order as we work to enhance the new Kindo system processes.  
**Note:** Items not collected from the Uniform Shop within 7 business days following receipt of the above email confirmation will be relocated to the Student Services for subsequent collection. This is located in the school's main reception area.
5. **New students** to the school – It is advisable to visit the shop in person in order to establish correct sizing before embarking on online purchasing. Please make an appointment to avoid lengthy queueing.
6. **IMPORTANT:** If you need to exchange or return any item to the uniform shop you **MUST** leave all tags on that item and provide receipts.
