MIDDLETON GRANGE VISION STATEMENT

The community of Middleton Grange aims to assist parents in the education of their children, by providing an environment in which the Biblical truths of Jesus Christ are taught and lived.

Middleton Grange School's International College seeks to maintain and enrich the special character of Middleton Grange School. We respond to the international student community's need for quality Christian education and to the nurturing of our students as Godly servants and global citizens.

This means that the staff in the International College are committed to work with the families of international students to set high academic, moral, and spiritual standards. We believe that all people are made in the image of God and have a responsibility to nurture the gifts He has given us. This requires that we work in partnership with families to ensure that students set and achieve high standards of academic achievement and personal behaviour.

2 Peter 1:5 "Make every effort to support your faith with goodness, and goodness with knowledge, and knowledge with self-control, and self-control with endurance, and endurance with godliness, and godliness with mutual affection, and mutual affection with love."

Introduction

This booklet provides information about the Code of Conduct, Discipline System and Grievance Procedures for Middleton Grange School's International College (the School). This booklet is to be read in conjunction with the Discipline Policy for International students, The International Student Rules, Contract of Enrolment, and the Refund Policy.

We have written this booklet so that everyone is clear about the rights and responsibilities of international students enrolled in the college.

All parents, agents, care providers, designated caregivers, residential caregivers, and students need to be familiar with the contents of this booklet.

Students

While you will take responsibility for your own academic achievement and personal behaviour both at school and outside of school, the School is responsible for you 24/7 while you are enrolled at the School. We are here to assist you with this. The contents of this booklet explain the consequences if you choose to be irresponsible. The discipline system of Middleton Grange School is valid for all international students enrolled at the school regardless of age. Please refer to your orientation booklet for information on your rights.

Parents/Care Providers/Designated Caregivers/Residential Caregivers

You will be clear on what the school expects when you need to talk to your student about their behaviour.

Teachers

You will be able to follow a procedure of discipline that is the same for each student.

CODE OF CONDUCT

The Code of Conduct identifies the principle by which we should conduct ourselves. This principle is best summarised by Jesus' words in Matthew 22:39 where He instructs us to:

“Love your neighbour as yourself.”

This principle informs the way we act toward others by:

- ✓ putting the needs of others before your own
- ✓ serving rather than demanding
- ✓ making wise choices - doing the right thing in every situation

Based on the conviction the Bible clearly teaches that, ultimately, God holds each of us accountable on a personal basis, we urge the same sense of individual responsibility by:

- ✓ accepting responsibility for any wrongdoing and its consequences
- ✓ demonstrating repentance through attitude and action

Through the Code of Conduct our intentions are:

To provide for students and staff a safe, ordered, secure and caring environment which is conducive to working and learning.

The ultimate aims of discipline are to:

- Develop self-discipline in students.
- Develop biblical virtues.
- Promote academic excellence.
- Promote a suitable environment for learning.

To achieve this, we will:

- Develop responsible citizenship.
- Foster respect for the rights of others.
- Have students develop social skills.
- Develop an awareness that the students are responsible for their own behaviour and the consequences of that behaviour.
- Encourage students to set their own personal goals and to strive to achieve them.
- Uphold a consistent standard of discipline throughout the school.
- Develop school morale.
- Communicate school policy to the community.

It is important to understand that teachers discipline out of concern for your welfare and spiritual well-being. Wrongdoing will be dealt with, but the focus is on developing future acceptable conduct.

Discipline is motivated by an effort to help you do right, to change the pattern of wrongdoing into a pattern of godly behaviour.

Discipline allows learning to occur.

INVESTIGATION PROCESS

Except in serious situations where immediate termination of the Contract of Enrolment is necessary, or where immediate stand down is necessary, the School will endeavour to investigate any apparent misconduct and determine the facts before taking disciplinary action under this policy. This investigation will include notifying the student of the apparent misconduct and giving the student any opportunity to give a response. The School will receive this response and give it genuine consideration before making a decision about the apparent misconduct. If the School determines that a breach of the Contract of Enrolment, Code of Conduct and/or this policy has occurred, it will consider the appropriate response having regard to the principals outlined in this policy, and will advise the student and parents, in writing, if possible, about its conclusion as to what happened and whether it amounts to a breach of the Contract of Enrolment.

REFUND POLICY FOR INTERNATIONAL STUDENTS

This policy is based on Section 521(7) of the Education and Training Act 2020 and in accordance with the requirements of The Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021 (Code).

Policy Statement

Middleton Grange School (the School) has established the following policy for tuition refunds of International student fees as stated in the Contract of Enrolment (Contract)

- 1.1 Either party may terminate the Contract at any time by giving the other party one month written notice.
- 1.2 On termination by the School:
Subject to paragraph 1.4 below, the student is entitled to a refund of a portion of the tuition fee paid. This portion shall be calculated on the basis of the proportion that the number of school days remaining in the contracted tuition period, counting from the day after the student last attends the School, less twenty school days, bears to the total number of days in the contracted tuition period.
- 1.3 In accordance with the Code, if this Contract is terminated due to the School ceasing to provide a course of educational instruction as contracted with the student, or due to the School ceasing to be a signatory to the Code, the School will:
 - a) refund to the student or the student's parents the amount of any fees paid for services not delivered or the unused portion of fees paid; or
 - b) if directed by the student or the code administrator or the agency responsible for fee protection mechanism, transfer the said amounts to another signatory as agreed with the student or the student's parents.
- 1.4 Should the termination of enrolment be due to student's continued misconduct, expulsion or failure to provide true and accurate information on enrolment, there will be no refund of fees other than the unused portion of the Residential Care accommodation fees, Student Care Fee and Activity Fee.
- 1.5 On termination by the student:
 - a) Where the tuition period is for six months or longer
 - (i) In the first two months of the tuition period the student is entitled to a refund of 50% of the tuition fee paid;
 - (ii) After the first two months of the tuition period no refund of the tuition fee shall be made.
 - b) Where the tuition period is for less than six months, no refund of tuition fee shall be made.
 - c) Where the termination is due to parents transferring a student to another school within New Zealand, there will be no refund of fees already paid, except for any unused portion of Residential Care accommodation fees, Student Care fees and Activity Fee.
 - d) Where the termination is due to the parent's immigration status changing and therefore the student's status changing from international fee-paying student to domestic student, and where the student has applied for and been granted a domestic place at the school, there will be no refund of fees already paid, except any unused portion of Residential Care accommodation fees, Student Care fees and Activity Fee.

e) Where a student's visa status changes to domestic status and they have not gained a domestic place and choose to leave the school, there will be no refund of fees already paid, except any unused portion of Residential Care accommodation, Student Care fees and Activity Fee.

- 1.6 In addition to the amounts calculated under 1.2, 1.3 or 1.4 above, the student shall be entitled to a refund of any unused portion of any Residential Care accommodation fees paid.
- 1.7 Notwithstanding the conditions of clauses 1.4 and 1.5 above, in exceptional circumstances (such as a serious illness to the enrolled student or a member of the student's immediate family resident overseas) the school may decide to grant a refund greater than the amount to which a student may otherwise be entitled.
- 1.8 In exceptional circumstances where the Director of the International College has granted consent for an international student 18 years and over to enter into a private arrangement with an accommodation provider, the school will refund all unused portions of the residential care fee.
- 1.9 In the event of the School needing to be closed for a period longer than five consecutive days within a school year due to unforeseen circumstance, causing the School to be unable to provide tuition, the School will refund a fair proportion of the tuition fees, as calculated by the School, reflecting the period of the closure (excluding the first five days).

Non-refundable Fees

- Enrolment fee – paid on acceptance of offer of place
- Used portion of residential care fee
- Used portion of student care fee
- Used portion of Activity Fee
- Insurance (students and parents may apply directly to an insurance company for a refund of premiums paid).

If an international student fails to obtain an appropriate study visa prior to the start date of their enrolment, a refund of international student tuition fees will be provided less all non-refundable fees.

If an international student voluntarily withdraws prior to the start date of their enrolment, a refund of international fees will be provided less any relevant non-refundable fees set out in this policy.
