- Staff introduction
- Distribution of a comprehensive orientation pack which includes: staff list and school procedures
Information book
Code of conduct Brochure on the International Appeal Authority
City and school maps
Bus timetables and Metro card application
Additional information that could be useful
- Familiarization with the material in orientation pack
- Introduction to other pupils, including International Leadership team
- Welcome to school assembly
- English language test
- Choosing subjects and getting a personalized timetable

Support Services

Middletton Grange School has a large number of staff to help international pupils. They include:

- Director
- Assistant Director
- Administration Manager
- Student Services Assistant
- Homestay Co-ordinator
- Year level Learning Team Leaders or Deans
- Form teachers or Vertical Group teachers

All these people work closely with international pupils ensuring leadership is identified and encouraged; learning support is provided; and that pupils meet a high standard of work and behaviour. There is also a strong home-school partnership where regular contact is kept with the pupil's parents and Care Provider, informing them of academic progress and the general welfare of the pupil.
